IL S.; Given under my hand, on the seal of this effec, at the city of Albany, the 13th day of April, A. D. 1853.

AliCH'D. CAMPBELL Deputy Secretary of State.

AlkCIPD. CAMPBELL. Deputy Secretary of State.

SUPREME COURT.—IN THE MATTER OF THE APplication of the Mayor, Aldermen, and Commonalty of
the city of New York. relative the opening of 1234 street,
from Third avenue to the new avenue on the casterly ride of
Mount Morris square in the Tweifth ward of said city, the
Commissioners of Retimate and Assessment in the above entitled matter hereby give notice, pursuant to the statutes
in such case made and provided, to the owner or owners, ocsupent or occupants, of all houses and lots and improved or
numproved lands affected thereby, and to all others whom
it may cencers, as follows, to wit:

First. That they have completed their estimate and assessment, and that all persons, whose interests are affected thereby, and who may be opposed to the same, do present their
objections, in writer, to William H. Riting, Seq., the chairman of said Commissioners, at his office, No. 79 Nassas,
and the city of New York, on or before the 23d day of
Second. That the sharters of the estimate and assessment.

objections, in writing, to William H. Elting, Esq., the chairman of said Commissioners, at his office, No. 73 Nassau street, in the city of New York, on or before the 23d day of June next.

Second. That the abstreet of the estimate and assessment, containing the names of the owners of the lots assessed, the numbers of such lots, as they appear upon the map of the Commissioners, together with such map, and the amount of the assessment, whether for damage or benefit, and also all the affidavits, estimates, and other documents which were used by the said Commissioners in making their estimate and assessment, have been deposited in the Street Commissioner's office, of the city of New York, there to remain for the inspection of whomsoever it may concern, until the 23d day of July next.

Third. Also, that the limits embraced by this assessment are as follows, that is to say:—all the lots of land situate in the Twelfth ward of the city of New York, and which taken together are bound on the wet by the easterly side of Mounta Morris square, on the east by the westerly side of the 3-sound avenue, on the north by the line of the centre of the block between 123d street and 124th street, and on the south by the tween 123d street and 422d street, (excepting therefrom such atreets and avenues, or paste of streets and avenues, as have already been opened, as the same is laid out on the map of the said Commissioners, deposited as aforessid.

Fourth. Also, that the service of the block made the same is laid out on the map of the said Commissioners, deposited as aforesid.

Fourth. Also, that the service of the block on saturday, the 23d day of 34d Jr. A. L. Rad, at the opening of the centre of the control of the State of New York, at a special term of the active to the block at the City Hall, in the city of New Roris, on Saturday, the 23d day of ally, A. L. Rad, at the opening of the centre of the confirmed.

MEDICAL.

INV'CORATING CORDIAL - PROFESSOR MORSE'S Invigorating Histir or Cordial—The Eighth Wonder of the Botasie World.

CUAR OF NERVOUR DIRRARS.

No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the discased delititated and shaterod nervous system. Whether broken down by excess, seems by mature, or impaired by sicknessed, and almost miraculous change which it occasions in the discased of chilitated and shaterod nervous system. Whater broken down by excess, seems by mature, or impaired by sicknessed, revisited, and builten or maintain in and physical and delitity, becomes a new man. He stands erect similar and delitity, becomes a new man. He stands erect similar and delitity, becomes a new man. He stands erect similar and constitute in the constitution of the secondary and a gloom, of an almost idiotic apathy, becomes bright, buoyant and active; and be goes forth refreshed, regomerated, and constitute; and one vigor, to his accustomed occupations. Nor is the effect temporary. On the contrary, the relief is permanent, for the cardial properties of the medicine coach the constitution itself, and restors it to its normal condition. Well may the preparation be called the Medicine research of the cardial properties of the medicine coach the constitution itself, and restors it to its normal condition. Well may the preparation, but no ackistence—

ASTIGULANT THAT ENTALIS NO REACTION.

Its force is never expended, as is the case with opium, alcoholic preparations, and all other excitants. The effect of these is brist, and it may well be said of him who takes them, "the last este of that cann is worse than the first." Matty the Eikir is an exhibitant without a single drawback—as e in its operation, prepetual in its bappy influence upon the nerves, the mind, and the outine organization.

The unparalleled effects of this great restorative in all complaints incincts to formale mark a now are in the annais of medicine. Thousands of stimulants have been invested than before,
